

Call for Registrations of Interest

Audiovisual Preservation, Digitisation & Associated Services

DIA/2020/006

The New Zealand Government has released a tender document calling for Registrations of Interest (ROI) for the preservation and digitisation of New Zealand's audiovisual heritage.

If you have the capability, capacity, experience and infrastructure to deliver archive standard digitisation of over 514,000 audiovisual (magnetic media) items, please register with the New Zealand Government Electronic Tenders Service (GETS) at <http://www.gets.govt.nz/> and download the ROI documents. We will manage all external communications through GETS.

Respondents can contact GETS Helpdesk if they require any assistance on:
